temple lands to the credit
of the Institutions.

LAST REFERENCE.

Letter No. 311 dated 22nd Dec:

form the Deputy Commr
Hassan District.

The Dy Commissioner
reports that there are
two shops — one Toddy
shop and the other
a blacksmith's shop —
permanently let out
on the lands belonging
to the Rameswaraswami
Temple at Rameswarapura
in the Arsikere Taluk

and an annual tax of
Rs 4 on each of them is
being recovered and credited
to the Treasury under the
head "Mohatarfa". The
Shambhogam of the temple urges
[illegible] that, as the lands
belong to the temple, the
tax levied on the shops
permanently set up thereon
should properly be credited
to the temple funds. The
Auditor, the Assistant-
Commissioner and the
Dy Commissioner all
support the Shambhogam's
prayer; and the Dy Comnr,
in submitting his recommendation
on the subject, speaks
as an authority, [illegible]

in the case of another temple, viz. the collections of ground-rent from the shops set up on the land belonging to the temple, should be credited to the temple funds —

2. The temple is a religious institution enjoying an annual cash grant of Rs 426-13-4

The Dy Comm^r who was asked to report whether the municipal authorities had no objection to exempt the shops of the Mohatarfa tax now

imposed or whether the
shop owners are willing
to pay in addition another
tax as ground rent to the
temple on account of
the shops standing on its
lands, states that one
of the shopkeepers on the
temple premises is not
willing to carry on his
business there if another
tax is added to what he
has now been paying as
Mohatarpa tax. The
Dy Comm^r therefore thinks
that only one tax should
be levied on the shops
and states that there being

no objection to exempt such shops from payment of Monatarfa as Ramnathpuram is not a Municipality, ~~is now Municipal place~~, it is desirable to credit to the temples' fund whatever may be realized from the shops as tax. The D/ Commr further states that on account of the insanitary state of the place he is thinking to get the shops removed but till then, he says the Monatarfa tax now realized may be credited to the funds of the temple

From,

Mysore Department.

Sir,

In submitting herewith correspondence ending with the Second General Assistant Commissioner's Yadi No. 137 Dated 25th August 1902, requesting orders for crediting the taxes on temple land to the credit of the temple fee, I have the honour to state that there is a toddy shop and a blacksmith's shop on land belonging to Sree Rameswara Swami temple at Ramanathapur and

and it is reported by the Amildar that a tax of Rs 4 on each is being recovered and credited to the Treasury every year under the head Inohadufa.

The Amildar states that as these shops are permanent & set up on temple lands it seems reasonable that the tax levied on these should be credited to the temple funds. As the Government in their proceedings No. 503-4 Dated 9th November 1897, have ordered the levy of taxes on shops temporarily set up on such lands during the Jatra season and that the same should be credited to Temple funds, the same authority may be considered sufficient to credit the taxes on the permanent shops alluded to

to

to the Temple funds. I therefore re-
quest that Government may be
pleased to record sanction for
the same.

I have the honour to be,
Sir,

Sir,

With reference to your docket No. 2462 Mug: 7.44-94 Dated 8th Instgo calling for a full report on the matter of crediting to the Temple's fund, tax on shops which stand on land belonging to Sree Ramaswara swami Temple at Ramanathapur I have the honor to state that

it

it is reported by the Amildar that one of the shop keepers on the temple premises is not willing to carry on his business there, if another tax is added to what he has now been paying as moha. -turfa tax. I think it is right that only one tax should be levied on these shops. Under this circumstance, there being no objection to exempt such shops from paying mohaturfa tax as Ramanathapuram is now Municipal place, it would be desirable to credit to the temple's fund whatever may be realized from the shops as tax on them. But I am thinking of ordering the removal of these shops from where they are in consideration of the sani -tation of the village. At the time

time of the last Jamabundi, I found the place highly in. sanitary. However, till the re moval of the shops on account of the above consideration, the Mohatarfa tax now realized on them may be credited to the Temple's fund. —

The Dy Commr reports that there are two shops — one toddy shop and

The shop owners are

states that there is

objection to exempt the shops from paying Mohatarfa as Ramanathan is not a municipality and recommends that whatever may be realized from the shops as tax should be credited to the temples' fund.

2. ~~With reference~~ to the above, the Govt. observe that the amount now collected is being credited as a part of the State Revenue. But Considering that the shops are situated on temple

land, the Govt. deem it
fair, that the slopes
~~the~~ may be
exempted from Mohatarfa
tax as suggested by the
Dy Commr., and they
accordingly direct that
the amounts now paid
should be continued
to be collected as "Ground
rent" and credited to
the Temple.
